Compass Medical Group Closure Helpful Information. Some residents have shared their concern regarding the sudden, unexpected closure of Compass Medical Group, especially their Quincy office location. The www.compassmedical.net website provides a "find your provider" page which shows that majority of physicians, including their Quincy office physicians, are joining Atrius Health. There is a link under each physician's name to an Atrius Health website where you can register as a new patient with Atrius Health to follow your physician and get set-up in their system for prescriptions refill requests, etc. Go to www.atrariushealth.org/landing-page/compass-medical or you can also call 1-800-468-7146, Monday – Friday, 8:00 am – 6:00 pm, for assistance and information. New office addresses for the joining physicians have not been determined and will be announced in the next 30 to 60 days per Atrius Health. They do have locations in Quincy and Norwood and anticipate those locations to be used.
