## January 2025 – Updated Installation Schedule with month of March as start of Bulk Service Agreement Rate

Dear Residents of **Fuller Village**:

We recently signed a new agreement with your Community to start providing all resident apartment and villa homes with **Xfinity by Comcast** services as of March 2025. Our new bulk services agreement with Fuller Village provides exciting offerings and services we wanted to share with you.

### The new Xfinity by Comcast services and equipment for Fuller Village will include:

- **Connect More Internet** (Fast High-Speed Internet with a Modem). With Connect More Internet, you can have multiple online devices streaming at a time, with download speed up to 400 Mbps with no shared bandwidth per unit.
- **HD Popular TV Package with Sports and Entertainment, Showtime, and Starz.** You will now have access to over 260+ channels and High-Definition (HD) programming on all the included cable networks and local broadcast stations, such as NBC, ABC, and CBS. With HD you can watch many of your favorite shows in clearer and crisper resolution. The new Xfinity TV services and equipment will include:
  - An interactive guide channel and a Fuller Village channel
  - 2 HD Boxes and 2 voice remotes
  - 20 hours of DVR storage per month
- Access to 24/7 technical and service support with Xfinity's **Dedicated Bulk Center of Excellence**, a specialized department that deals specifically with Communities such as Fuller Village.
- The cost for this new Xfinity by Comcast services will be \$75.00 per month per residence for the first year of this bulk services agreement between Xfinity by Comcast and Fuller Village. Fuller Village will automatically deduct (ACH) this amount from the account you supplied to Fuller Village on the 20<sup>th</sup> of every month. March 2025 will be the first month of service that will be charged at \$75.00 per month, with service installation per apartment and villa home occurring at the end of January and through February.

Fuller Village will no longer be offering SeniorTV internet and satellite TV services as of March 2025. All residents that have SeniorTV currently will need to sign up for a Xfinity by Comcast account under this bulk services agreement. Installation for Xfinity by Comcast will begin in resident apartment and villa homes starting at the end of January and through February until completion.

Residents who currently have Xfinity by Comcast will need to sign up for a new account with Xfinity by Comcast to be under the bulk services agreement as well and will be eligible for the monthly rate. Installation is not necessary for current Xfinity by Comcast resident customers unless you had specific new equipment requests or plan upgrades.

Should you have any questions or concerns, please contact Molly Welch, Executive Director of Fuller Village.

Sincerely, Fuller Village & Xfinity Communities
