Notes from the Program Director

It might be cold outside, but it's warm in here! **Singo** heats up on Feb. 3rd at 7PM with our favorite DJ Jim coming out for love songs music bingo. On Feb. 4th, we invite newcomers to Fuller to join us for a "get to know you" **van tour of Milton followed by lunch at Newcomb Farms**- a great local restaurant known for it's delicious homemade soups, sandwiches and breakfast fare. The fun continues with an "**Intro to Quilting**" class with our very own Mary Harman on Feb 17th from 3-5. Join us in the Brush Hill Function Room for a festive Sunday afternoon of music on Feb. 16th at 3:30pm, when noted FV pianist Judy Cobble will perform a recital of classical music.

February has lots of opportunities for lifelong learning and engagement, beginning with a **poetry reading from author Father Thomas Fitzpatrick on Feb. 3rd at 2PM** in the Blue Hill Activity Room. After the reading, Fuller residents will meet briefly to brainstorm ideas for holding our own poetry workshop and slam later this spring.

On Saturday, February 8th at 1PM, join us for an exciting **“Aging and Tech” interactive workshop** in the Brush Hill Function Room, where we will discuss how technology can help us age in place. Researchers from Brown University will hold a series of interactive workshops on technology, including topics such as Understanding AI (Artificial Intelligence), Technology Safety, and Using Home Health Technology. Your perspectives are important and can help shape research on educational tools for supporting technology safety. Workshop participants will receive a \$10 gift card.

February Field Trip! Let’s head out to **The Cradles to Crayons Giving Factory Feb 13th** where we will help sort, organize and package children’s clothing items to be delivered to underprivileged children in the greater Boston area. We will also bring some of our own handknit or crocheted baby items for donation. Join us for this important community service effort- it’s a fascinating operation to experience!

Feb 6th 1PM we will head out to **The Menino Art Center** to see “Images Then Words” Exhibit. Check out this great cultural community resource right around the corner!

Feb 7th 1PM **Massachusetts Horticultural Society Terrarium Project** This workshop led by Garden Educator Melissa Pace offers a hands-on opportunity for participants to create their own personalized terrarium. During the workshop, attendees will have the chance to select from a variety of plants and design elements to craft a unique miniature indoor garden. Melissa will provide guidance on plant selection, arrangement, and care techniques to ensure the long-term health and vitality of the terrariums. Participants will also learn about the importance of proper maintenance, including watering, light requirements, and common problems to look out for.

Feb 21st 10AM -2PM AARP Tax Volunteers will be on site to help you prepare your taxes! Gather up your tax documents and make an appointment with Muriel. Appointments are also available **March 7th and 21st**.

To celebrate the month of our favorite US presidents, we will travel to the **JFK Museum in Boston on Feb. 27th**. The John F. Kennedy Presidential Library and Museum is dedicated to the memory of our nation's thirty-fifth president and to all those who through the art of politics seek a new and better world.

Fuller Village celebrates Black History Month in February with a visit from Kalimah Redd Knight, Director of Boston's League of Women for Community Service. Kalimah joins us on Feb. 10th at 6:30PM to share the history of that organization's centuries-long fight for civil rights and social justice through community service in Boston's black community- and their important efforts to restore their historic headquarters in Boston's South End. Fuller Village resident Pat Morris will also lead a talk on "African American Women in History" on Feb. 20th at 3PM. She will also share several examples of African American art from her personal collection which will be on display in the Brush Hill lobby.
